

Why Shook

The world's leading companies turn to Shook, Hardy & Bacon to obtain favorable results under the most contentious circumstances.

Shook is widely recognized as one of the premier litigation firms in the country. For more than a century, the firm has represented clients in some of the most substantial national and international litigation.

More than 90% of our attorneys are litigators, and many have advanced degrees in health and sciences fields. The firm has represented leading international companies in a variety of industries, including technology, consumer goods, chemicals, automotive, pharmaceutical and medical devices.

Shook has represented more than 80% of the *Fortune* 100. Our clients include global industry leaders who demand proven legal strategies. Whether resolving cases through aggressive discovery, pretrial motions, alternative dispute resolution, or obtaining victories at trial or on appeal, the firm has established a reputation for getting the job done.

Very smart lawyers who are extremely adept at strategizing.

Hands down, my favorite firm to work with.
